

**Thursday, June 24—6-9 p.m.
on the Sunnybrook Morningside campus**

We're looking for people to volunteer to help us with Family Fun Night 2010. Family Fun Night is our community wide event with free food, lots of giant inflatable games, a humongous water slide, live band and family games. Whether you can assist for all or part of the evening, your assistance will be incredibly helpful. We are expecting around 2000 people, so we need LOTS of volunteers!

We need help with food preparation and serving, with manning the giant inflatable games, waterslide safety team, traffic team, clean up and hospitality. Turn this page over for a complete list of volunteer opportunities and turn this form in to the info center or the office.

If you have questions, need more information or want to turn in the volunteer registration form (other side), please stop by the Skill School booth today.
