

speakers

Two sessions will be taught via video by Mark Gungor, a well-known speaker, pastor, Christian comedian and author of "Laugh Your Way to a Better Marriage". Within the context of this "Laugh You Way to a Better Marriage" seminar, Mark explores the underlying dynamics of male/female relationships with striking clarity and offers practical solutions to common relationship woes.

Three sessions will be taught via video by Jimmy Evans, one of America's leading experts on family and marriage relationships. He is the founder of "Marriage Today". Life is fast and hectic and we all wonder where the time goes. But in the middle of this busyness we still have to make time to deal with family and marriage issues. The danger of our lifestyle is that sometimes the important things are overshadowed by the urgency of the needs of the moment and our marriages suffer in the process. What is a great marriage and how can a couple have one? Jimmy Evans will outline the seven traits of every great marriage and demonstrate how you can build them into your own marriage relationship. Our hope is that you will experience a weekend that will leave you refreshed, renewed and equipped to experience a healthy and fulfilling Christian marriage.
